

8 January 2024

Dear parents and carers

We're really pleased to publish our [NEW Spring Clubs timetable](#) for enrichment activities after school, featuring lots of opportunities for your young person to get involved in something that will help them build skills, develop team-work and resilience, improve their confidence and make friends.

However, on **Tuesday this week** the following Clubs **will not run** as the lead staff are taking part in Year 7 Parent-Teacher Meetings:

- 8s Boys Football (Mr Wren)
- Girls Football (Mr Barker)
- Addams Family Rehearsals, acting AND music (Drama & Music teachers)
- Rugby (Mr Hanson)
- Trampolining (Mrs Maddox)
- Art (Mrs Scott)
- SparxMaths (Mr Cooke)

**This term we're focusing on getting students to try out a club after school**, and to encourage participation we held a successful [Club Fest](#) last week, where your young person found out more about what's on offer and chatted to students who already attend clubs. Following on from this we're issuing a "ticket" to all students in Key Stage 3 which they can exchange for a reward when they do attend a new after-school club.

**If your young person doesn't currently go to an after-school Club, please chat to them about why getting involved in a club or team could be good for them**, and have a look on our website at [the timetable](#) to help them choose something to try out this term.

Best wishes  
The Carrington Team.
