

8 July 2025

Dear parents and carers

It is almost time to **make your Excellence choices for September** and we are really excited to offer you some fun new sessions next term.

We have teamed up with some great external providers and we also have some non-teaching staff sharing their hobbies with you this term too. But this does mean **not every session has room for a full class of 30.**

Please make a list of your top five activities and be ready to click the link when it's emailed to you on Tuesday 15 July.

We know that some of these options will fill up really quickly so if you choose five popular, low capacity, options we cannot guarantee you will get one of your top choices and you may be allocated something you didn't pick. If you choose the same thing five times you will not get that activity and will be allocated something else.

Unfortunately, there will be **absolutely no swaps this term as all activities will be full and we will not have any spaces to move people.**

We ask that if you are allocated something you didn't choose that you embrace it and really work on your resilience and try and get involved. Every option has been carefully chosen to give you an interesting and fun term of learning and **remember, one of the key aspects of Excellence is trying something new!**

If you have any questions about the activities on offer then please speak to me before Tuesday.

Best wishes

Mrs Colman
