

9 February 2026

Dear parents and carers

This week is **National Apprenticeship Week** when there is a focus on providing information about this route available to your young person after Year 11.

Apprenticeships are a mix of paid work and training and are a great way into the world of work. Key facts about apprenticeships can be found [HERE](#) and more detailed information can be found in the Parent and Carer guide (attached).

If your young person would like more information about apprenticeships, please encourage them to email me or come and have a chat in Room 2-12.

Best wishes

Mrs J Pearce
