

9 October 2025

Dear parents and carers

We are excited to have arranged for a **World War One Reenactor** to visit Y10 GCSE History students on **Wednesday 14 January** as part of their Paper 1 topic - The British sector of the Western Front, 1914–18: injuries, treatment and the trenches.

The workshop will provide students with a unique opportunity to deepen their understanding of trench medicine during the First World War through a live presentation, authentic uniform and equipment demonstrations, and interactive storytelling. This immersive experience will help bring history to life and support the work undertaken in class.

To help cover the cost of the reenactor's time and resources, we are asking for a **contribution of £10** to be paid via ParentPay by the 28 November.

We believe this experience will be both educational and memorable, and we hope all students will be able to take part. If you have any concerns about the cost or would like to discuss financial assistance, please do contact me on ablackwell@carringtonschool.org.

Thank you for your continued support.

Best wishes

Mrs A Blackwell

Assistant Headteacher, Teacher of History
