

22 August 2023

Dear parents of Class of 2023

Arrangements for the Collection of Results, Thursday 24 August

The time has come! GCSE results will be published on Thursday. We welcome students into school to collect results in person from 10:00-12:00. They should come in via the normal Student Entrance and head to The Observatory. Families and friends are welcome to come in too and we will have staff on hand to help make decisions about next steps if necessary, and to celebrate their achievements with them.

Another person such as a family member or friend, can collect results in person if they bring written permission from the student with them. If it is not possible to provide written permission on paper, an email from the student providing the details of who they give consent to should be sent to our Exams Officer Mrs S Howell on showell@carringtonschool.org.

Results will also be emailed to all students' school email addresses as a PDF after 13:00. We have reinstated their school email address until the end of August for this purpose. Please note that we are NOT able to send results to a parent or carer. Students should save the PDF of their results so they have these to provide to colleges and for future reference.

Mrs Howell should be contacted by email (showell@carringtonschool.org) if there are any issues with collecting the results.

For some this is a very worrying time. Please know that, whatever their results, we will be here to help them get onwards to college - come in and share this with us so we can help, or contact us by email or phone if there are concerns about next steps.

Best wishes
Miss K Oakley
Headteacher
