

Appointment of Teacher of Maths

Required January 2026

Welcome from the Head

My priority over the past few years has been to improve the quality of teaching and learning and to open doors for every student that we are privileged to teach.

The school has undergone a great deal of change since I arrived in 2018. Some of these changes have been as a result of our own analysis and reflections on what we needed to do better, some have come about through the amazing new building project, and others have evolved as we have addressed our vision, ethos and purpose as educators .

We want our students to **ASPIRE**; to want to be the best they can be, to seize opportunities, be prepared to take risks and not be frightened of failure.

We want them to **INNOVATE**; to think outside the box, be creative and curious, to be proud of who they are and to be able to work both collaboratively and independently.

We want them to show **RESPECT**; to be thoughtful and kind citizens who support each other, members of our school and local community.

Our motto, **Ad Astra**, to reach for the stars, represents the high expectations that we have for each member of our school community. Having dreams, goals, targets and a vision is an important driver to help keep us all motivated and make the learning journey purposeful and exciting. We want excellence in everything and we support and encourage everyone to be the best they can be in all that they do.

Who We Are

- We are a 11-16 comprehensive school
- We are a 7 form entry, 210 PAN
- We are central to Redhill and have great access from the train station, easily accessible to the coast and London
- We are in SESSET along with The Ashcombe School and Therfield School
- Our last Ofsted Inspection was rated 'Good' in May 2023
- Our students make good progress and we continue to work hard to ensure their outcomes continue to improve

“Pupils are proud of their school. They know that the staff work very hard to support them”
(Ofsted 2023)

The Maths Department

The Maths Department is a strong team of nine teachers with a varied range of experience levels. The department is led by a Director of Learning and Second in Charge who have a passion for the subject and continue to drive improvements. The Maths curriculum has been re-designed to make it more challenging but also accessible to our varied cohort of students.

As a team, the Maths Department develop their lesson resources which are shared centrally and testament to the collaborative way in which they work. Equally, the department has a clear and manageable assessment and marking policy with a focus on formative feedback quickly after each short end of unit test. Like all our departments, the Maths team meet regularly within directed time to plan together, share pedagogical ideas and moderate.

Benefits

- > **Above average PPA** allocation
- > Strong Induction Programme
- > Great CPD and training opportunities
- > Teaching staff **finish early on Fridays**
- > Two-week October half term
- > ECTs paid from June throughout summer for a Sept start
- > Opportunities to **accompany visits locally, nationally and internationally**, such as skiing in Italy, hiking in Morocco and community project work in Uganda
- > Modern, spacious and well-equipped staff room
- > On-site parking
- > Confidential membership of Smart Clinic, our employee support service that covers legal, health, financial and lifestyle support for all staff
- > Annual pay progression within your pay grade
- > Laptops for all teaching staff and tablets for all teaching assistants
- > Start the day with free morning porridge!
- > Complimentary refreshments when attending evening events such as Parent-Teacher meetings and Open Evening
- > £1000 finders fee for staff who recruit other appropriate staff for us
- > London Fringe Allowance
- > **Annual flu vaccinations**
- > Paid lunch duties available

Our people really are what sets us apart, with a warm and positive culture that challenges and supports us to be our best every day.

Our holistic approach is evident in our innovative Excellence Programme designed to provide cultural capital, a beautiful Ecology Area that stretches alongside the Earlswood brook where we run our Forest School, and extensive enrichment opportunities.

The Role

To teach the subject to KS3 and KS4 students, whilst ensuring high quality teaching. To ensure all students have access to a broad and exciting curriculum, which is well planned and relevant. To ensure KS4 students can develop a strong understanding and knowledge of skills so that they can achieve their potential at GCSE.

Job Title: Subject Teacher of Maths

Salary: MPR/UPR + Fringe

Line Manager: Director of Maths

Line Management of: N/A

Role Description

The Role

To teach students within the school and to carry out other associated duties as are reasonably assigned by the Headteacher

Key Accountabilities

These accountabilities are based on the professional responsibilities of teachers outlined in the School Teachers' Pay and Conditions Document (STPCD). They are supplemented as relevant by reference to the DfE Teachers' Standards (2012).

Responsibilities

- To plan and teach lessons and sequences of lessons to the classes you are assigned to teach, within the context of the school's plans, curriculum and schemes of work
- To assess, monitor, record and report on the learning needs, progress and achievements of assigned pupils
- To participate in arrangements for preparing pupils for external examinations
- Establish a safe and stimulating environment for pupils, rooted in mutual respect
- Set goals that stretch and challenge pupils of all backgrounds, abilities and dispositions
- Demonstrate consistently the positive attitudes, values and behaviour which are expected of pupils
- Be accountable for pupils' attainment, progress and outcomes
- Be aware of pupils' capabilities and their prior knowledge, and plan teaching to build on these
- Guide pupils to reflect on the progress they have made and their emerging needs
- Demonstrate knowledge and understanding of how pupils learn and how this impacts on teaching
- Encourage pupils to take a responsible and conscientious attitude to their own work and study
- Have a secure knowledge of the relevant subject(s) and curriculum areas, foster and maintain pupils' interest in the subject, and address misunderstandings
- Demonstrate a critical understanding of developments in the subject and curriculum areas
- Promote the value of scholarship
- Demonstrate an understanding of and take responsibility for promoting high standards of literacy, articulacy and the correct use of standard Maths, whatever the teacher's specialist subject
- Impart knowledge and develop understanding through effective use of lesson time
- Promote a love of learning and a student's intellectual curiosity
- Set homework and plan other out-of-class activities to consolidate and extend the knowledge and understanding pupils have acquired
- Reflect systematically on the effectiveness of lessons and approaches to teaching
- Contribute to the design and provision of an engaging curriculum within the relevant subject area(s)
- Know when and how to differentiate appropriately, using approaches which enable pupils to be taught effectively
- Have a secure understanding of how a range of factors can inhibit pupils' ability to learn, and how best to overcome these

Role Description Continued

- Demonstrate an awareness of the physical, social and intellectual development of children, and know how to adapt teaching to support pupils' education at different stages of development
- Have a clear understanding of the needs of all pupils, including those with special educational needs; those of high ability; those with English as an additional language; those with disabilities; and be able to use and evaluate distinctive teaching approaches to engage and support them
- Know and understand how to assess the relevant subject and curriculum areas, including statutory assessment requirements
- Make use of formative and summative assessment to secure pupils' progress
- Use relevant data to monitor progress, set targets, and plan subsequent lessons
- Give pupils regular feedback, both orally and through accurate marking, and encourage pupils to respond to the feedback

Professional Development

- To participate in arrangements for the appraisal and review of your performance
- To participate in arrangements for your further training and professional development and, where appropriate, that of other teachers and support staff, including induction
- To take responsibility for improving teaching through appropriate professional development, responding to advice and feedback from colleagues

Wider Responsibilities

- To deploy resources delegated to you
- To participate in arrangements for the appraisal and review of your performance and, where appropriate, that of other members of staff
- To participate in arrangements for your further training and professional development and, where appropriate, that of other teachers and support staff, including induction.
- To communicate effectively with parents and carers with regard to student achievements and well-being, as appropriate to your role
- To collaborate and work with colleagues and other relevant professionals within and beyond the school

Safeguarding

The successful candidate will be subject to a satisfactory enhanced disclosure from the Disclosure and Barring Service (DBS). Carrington School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment

The above-mentioned duties are neither exclusive nor exhaustive, duties and responsibilities of the post may change as requirements and circumstances change. The post holder may be required to carry out such other duties as requested by management that are broadly within the level of the post
