Assessment	Revision Help
Students will be tested on everything they have covered since September, up until the end of this term on our first unit: Peace and Conflict SK11 will be marked out of 44 <u>marks</u>. The exam will last for 1 hour (unless you have extra exam concessions such as extra time, in which case, this will be honoured). There will be <u>four sections</u> on the paper as follows: Section A: There will be 5 <u>keyword definition questions</u> (worth 2 marks each) where you will be asked to define the key word (1 mark) and to give an additional piece of information about the keyword (1 mark). Additional pieces of information could be for example- an example of further information known about the keyword. For example, if the keyword is 'omnipotence' then you will get 1 mark for defining the word eg '<i>The word omnipotence means that God is all-powerful</i>'. You will get a second mark for giving another sentence which contains more information about the definition, for example, '<i>Christians believe that God is omnipotent as he created the world and everything in it.</i>' Section B: multiple choice questions (worth 1 mark each). There will be <u>5 multiple choice questions</u> on the paper. Section C: This is a section where you will be given three sources from content covered in class and <u>4 questions</u> relating to this. You will need to use your subject knowledge to analyse and explain the sources given. Section D: This is a written section that contains <u>an outline question</u> (3 marks), <u>an explain questions</u> (4 marks) and <u>an evaluation question</u> (12 marks plus 2 marks SPAG (Spelling, Punctuation and Grammar)). The evaluation question will carry the most marks.
