School STREETS

SURREY COUNTY COUNCIL

THE STREETS AROUND YOUR SCHOOL MAY CHANGE

PLEASE TELL US YOUR VIEWS

School Streets tackles congestion and improves air quality at the school gates, making it easier and safer to walk and cycle to school.

to find out more and tell us what you think.

Carrington School

The School Streets consultation is open from the 2 November until 18 December 2026

Our Proposal

Noke Drive and Knights Place would become a School Street zone at set times in the morning and afternoon. During these set times only vehicles that have been granted an exemption will be permitted to enter these roads. Signs to inform drivers of the restrictions would be installed at the entrance to the road.

Times of operation for the School Street

The proposed operating times for Carrington School are 8-8.45am and 2.15-3.45pm Monday to Friday, term-time only. School Streets do not operate during school holidays or at weekends.

Enforcement

An Automatic Number Plate Recognition (ANPR) camera will be installed on the street to check the vehicles that enter and exit during the period of operation. Vehicles entering the School Street during its operational hours without a registered exemption will receive a penalty charge notice (PCN).

Enforcement continued

For the first 6 months of operation a letter of warning will be issued to non-exempt vehicles entering the School Street zone during times of operation, if they repeat the offence a second time a penalty notice of £70 will be issued (£35 if paid within 21 days).

Have your say on our plans

To view the detailed plans and have your say on our proposals please visit; Have Your Say Today - Carrington School, Redhill - Proposed School Street - Commonplace

On these pages you will be able to see all the plans and share your views via an online survey. The online survey will be open until 18 December 2026.
