Dear Parent/Guardian,

Re: Specsavers Surrey Youth Games Street Basketball, School Years 7&8

We are writing to invite your child to take part in 9 weeks free Street Basketball sessions funded by Reigate and Banstead Borough Council as part of the Specsavers Surrey Youth Games. The training sessions are aimed at beginners who are not super active or may be put off by the thought of competing. This is all about letting teens who are beginners have a go!

What is Street Basketball?

Street basketball is an increasingly popular version of the sport, but it has a more easy-going approach to the conventional rules of basketball. Typically played on outdoor courts, two teams of 5 players each try to score by shooting a ball through a hoop 10 feet above the ground. It was born in the parks and streets of New York and is lots of fun.

The Street Basketball training sessions will take place at Memorial Park in Redhill after the Easter holidays, the dates and times are below.

The training sessions

Dates: Wednesday 17th April to Wednesday 12th June 2024

Time: 4pm-5pm

Location: The MUGA at Memorial Park, London Road, Redhill, RH1 1JU

The event

When the sessions finish, the young people are invited to take part in the Specsavers Surrey Youth Games event on Saturday 15th June at Surrey Sports Park in Guildford. The young people will represent Reigate and Banstead and take part alongside the other boroughs and districts in Surrey.
