

Transition 2026 Timeline

Congratulations...You've just found out you are going to join the Carrington family in September. Here is what you can expect next:

March

- You will shortly receive your Welcome Letter in the post confirming your place at Carrington School.
- Your parents and carers will have the chance to take part in our Virtual Q and A (Question and Answer) session. This should give you and them a chance to ask any burning questions you might have.
- You will be invited into school for our 'Meet the Team' event. This will give you the chance to collect your Welcome Packs. You will also have the chance to take a short tour around the school, guided by our wonderful prefects.

May

In May we will visit your primary schools to speak to your teachers. This will help us to get to know you and how we can best support you before your arrival in September.

July

At the start of July, you will attend our exciting Induction Day where you will be able to meet your tutor and tutor group. This day gives you your first taste of a school day at Carrington School. In the evening, we also hold our Induction Evening to enable your parents to meet your new tutor and to ask any questions they might have.

August

You can look forward to attending the Summer School that runs towards the end of August. This is optional but is a great way to get to know some of your new teachers and to have the school to yourselves before you arrive in September!

We will then look forward to your arrival in September! We are very much looking forward to welcoming you all!

What to expect when you join us in Year 7

September

- You will have your first day at Carrington School. This will also be your first day in your new school uniform! You will be reunited with your tutor and tutor group, and you will also meet some of your new teachers. On this day there will only be Year 7 students in school; giving you the school to yourselves on your first day!
- The whole of Year 7 will take part in a 'Bonding Day' – a fun trip to help you get to know each other and build some useful team building skills.
